

Situated just 1.5 hours West of Brisbane, made. Creative Space has become a cultural hub and platform for local, national and international emerging and established artists in Regional Queensland. made. is a mix of gallery swagger and current culture trends, a hub/ a hive and an ever changing plethora of exhibitions. Made. provides opportunities for workshops and artist talks as well.

With a reputation for transforming the place with every show that opens, made. has made its mark as an exciting and all-inclusive arts hub of Toowoomba.
